

SAT 19TH
MARCH
10AM-5PM

MEETING AT THE GATE
ON NORTH SREET!

EBENEZER GATE LET'S MAKE THIS HAPPEN!

We need your help to turn this overgrown space into a vibrant community pocket park

GET EXCITED! We want to share our proposal with you, including showing you a completed section of the new storytelling bench

GET INVOLVED! Help us with site clearance, trimming back overgrown shrubs and giving this space a general tidy up

GET TOGETHER! We are keen to raise awareness of this project and hopefully organise a gardening volunteer group to look after this exciting community garden

The project has emerged from a collaboration between Bedminster Town Team and Business Improvement District, UWE Master of Architecture students and Hands-on-Bristol

WANT TO KNOW MORE...?
