# Module feedback – last 3 years

“Under the most difficult of circumstances the module has been delivered very well.”

“I very much enjoyed the week and I appreciate the different guest speakers recording their lectures and joining our virtual class room.”

“People have been more interactive with questions due to anonymity.”

“Group sessions after slides have allowed for peer to peer learning which was a GREAT help.”

“Although this module had to be changed to be entirely online, everything was well organised and it was easy to follow...”
