on ethnicity

People are on this: one note; they never change (as a life time) they move.

Person  
I feel about change to them or ethnicity.

what they are and what they could have become

Do not blame them they do their own thing. Just you ask French why they do that? They do that because they do that.

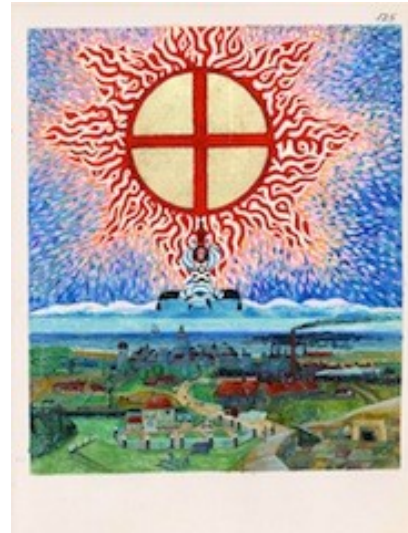

Right. Some set in his ways if you deal with Johnny or no. don't complain, you know they are stuck in their groove. Do not waste your time but on the other give up thinking about them.

♦ The Red Book ♦ ♦  
 Liber Novus  
 The year of which I have spoken  
 to you, when I pursued the inner  
 images, was the most important  
 time of my life. Everything else  
 is to be derived from this. It began  
 at that time, and the later details  
 hardly matter anymore. My entire life  
 consisted in elaborating what had been  
 put forth from the unconscious and placed on  
 like an enigmatic stream that threatened  
 to break out. That was the stuff and mat-  
 erial for more than on life. Everything else  
 was merely the outer classification, the  
 scientific elaboration, and the integration  
 into life. But the numinous beginning,  
 which contained everything, was there.
